Summary

WordPress Developer and Web Designer with 1.5+ years of experience creating pixel-perfect, responsive websites, including real estate platforms, business websites, and e-commerce stores. Focused on delivering visually appealing designs, seamless user experiences, and high-quality web solutions aligned with business goals.

Experience

Dev Story — Chandigarh, India

WordPress Developer — 03/2026 - 10/2026

- Developed custom WordPress websites and business solutions using Elementor, ACF, PHP, WooCommerce, and JavaScript
- Built role-based dashboards, membership systems, custom post types, and advanced website functionalities
- Integrated AWS S3, payment gateways, and WhatsApp workflows while collaborating directly with clients on project delivery

Shine Soft Solutions — Mohali (SAS Nagar), India

WordPress Designer — 03/2025 - 03/2026

- Developed responsive WordPress websites using Elementor, PHP, HTML, CSS, JavaScript, and WooCommerce
- Integrated Showcase IDX and IDX Broker to build property search, listing management, and lead generation solutions
- Built custom landing pages and optimized website performance, SEO, and user experience

AlgoX360 IT Solutions LLP — Mohali (SAS Nagar), India

WordPress Designer Intern — 10/2024 - 01/2025

- Assisted in developing and maintaining WordPress websites using Elementor, themes, and plugins
- Supported content updates, testing, responsive improvements, and live client projects

Projects

Gotcha Guides | WordPress Learning Platform

- Developed a role-based learning platform for students and teachers using WordPress, ACF, and custom post types.
- Built custom dashboards, membership features, favorites functionality, and video content management.
- Implemented custom PHP solutions and optimized video delivery using AWS S3 for scalable content access.

Revivo Avenue | WooCommerce Fashion Store

- Developed and customized a WooCommerce fashion store using WordPress and Elementor.
- Built product catalogs, category pages, shopping workflows, and responsive user interfaces.
- Managed payment gateways, products, and WooCommerce functionality.

Incloodie Food Tour | Website Development

- Developed and customized a responsive food tour website showcasing culinary experiences, local culture, and neighborhood stories.
- Designed and styled website sections, including About Us, Our Mission, Core Values, and other content sections.
- Optimized page layouts, typography, images, and responsive styling to improve user experience across devices.
